Fleet Maintenance

Healthy fleet for a healthy operation.

FleetMovil's mission is to help companies maintain a healthy and capable fleet. We achieve this by providing you with faultless, instant data on your vehicles' crucial readings. Precise odometer readings are available 24/7 for your entire fleet as well. To top things off FleetMovil keeps a history of every vehicle and notifies you in advance on upcoming maintenance. All features combined, FleetMovil helps you to better plan your operation, building a seamless, profitable business model.

Advance planning

- Upcoming maintenance alerts
- Precise odometer readings
- Service vehicles with minimal extra strain on your fleet

Trouble codes

- Instant DTS alerts
- Code details on a manager's computer
- Informed service appointments

Separate history

- Keep track of every vehicle's condition
- Be aware of recurring technical troubles
- Plan special servicing if the need arises
