## DashCam FM Plus 2.0

DashCam FM Plus 2.0 is an all-in-one driving recorder designed for safe driving assistance. It not only has the functions of an ordinary driving recorder, but also supports related functions of intelligent driving assistance. It has the advantages of simple installation, comprehensive functions, and convenient use.

**Crystal-clear  
video footage  
in high-definition,  
ensuring every  
detail is captured  
accurately, day or night.**

### Event Detection

Our dashcam features advanced event detection capabilities, automatically recording and saving footage when it detects sudden accelerations, harsh braking, or collisions.

### Driver Behavior Analysis

FleetMovils Dashcam FM Plus 2.0 provides comprehensive insights into driver behavior, including speeding, aggressive driving, and adherence to traffic rules.
